7. [ ] LIAISON Met with Senator H. John Heinz (R., Pa.) and his aide, Mark Bisnow, and reviewed with them the information we had retrieved on the ownership of Air Taxi Company. ✓ Senator Heinz had two additional questions and he had no problem with having these questions go through Ken McLean, Staff Director, Senate Banking, Housing and Urban Affairs Committee. The questions related to whether we had made an inquiry of former COS' who served in Tehran in early 1970 and whether we had any information on a showing in Iran of a Bell Helicopter film which was attended by the Shah of Iran and General Khatami. The tenor of the questions from Bisnow and the Senator seemed to suggest that they felt we should have been more active in investigating all aspects in Iran which may be of interest to the Banking Committee, but I said that we had no way of knowing what that would be, and the only way we could provide was on the basis of specific questions, STATINTL and the Senator agreed.

25X1 14. [ ] LIAISON Benjamin Forman, Office of General Counsel/OSD, called to review with me the request set forth in the letter ✓ from Senator William Proxmire (D., Wis.) regarding the confirmation hearing of G. William Miller as Chairman of the Federal Reserve System and asked if we had any problem with his including a short statement from a CIA report that General Mohammed Khatami was the owner of Air Taxi Corporation. I told him that we had no problem with his including that information and I asked if he had any problem with our including in our letter to Senator Proxmire the same information we obtained from a DIA report. After checking with the General Counsel, he called and said that we could use the information from the DIA report in our unclassified response to Senator Proxmire.
